**SUBJECT: ASSOCIATION UP-DATE**

The Wyoming Legislature was convened **TUESDAY, JANUARY 9th** for the 40 day Regular Session.

There are several bills dealing with Telecommunications in some form or another, and as they are heard in Committee I will keep you informed.

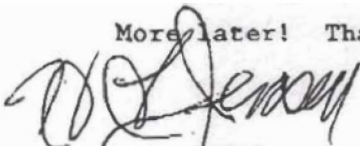

The W.C.T.A. Annual Legislative Reception, JANUARY 11th was a huge success and we have had numerous Legislators tell me personally what a great event it is and how much they look forward to it each year.

A large part of the success is due to the tremendous support of our Associate Members. We wish to thank you for the premiums you sent for the drawing. X-ALTITUDE CHANNEL, Q.V.C., INSPIRATION CHANNEL, TURNER BASICS, F.G.O. COMCAST, E.S.P.N., DISNEY CHANNEL, HALLMARK CHANNEL, NBC, UNIVERSAL ELECTRONICS, FOX SPORTS NETWORK, and the SPORTSMAN CHANNEL. Thank you all again!

The Joint WYOMING MONTANA ANNUAL MEETING is still in the planning stage, and the only definite thing is that it is in WEST YELLOWSTONE MONTANA starting July 19th..more on that later.

One last reminder for those of you who like to plan ahead. Our 2008 Legislative Reception has been locked in for THURSDAY, FEBRUARY 21st at the Hitching Post. This is the second Thursday of the 20 day Budget Session.

More later! Thank you for your time and support!!!
